PRESIDENT'S MESSAGE

Welcome to the new Civitan year, October is the beginning of our year. This also means dues are due. They are only \$30.00 a year and are subsidized by the club to pay Civitan International. The dues can be e-transferred to Treasurer Ken. Just let him know and he will give you his email address. I would also like to welcome the new members installed at the last meeting.

I would like to thank Debbie Keaney for looking after the ball canteen this year. I know she spent a lot of time organizing people, stocking product, and cleaning the booth and bathrooms. I would also like to thank all the volunteers for working the booth. The ball players and families appreciated our efforts. Good job everyone. I have attached a few pictures from the tournament.

Would like to recognize Henry and Linda and crew for the bottle returns. We are over \$22,000 this year. They could certainly use some help sorting bottles Thanksgiving weekend as Henry will be having eye surgery on Oct 5th and will not be available to help with the sorting. An hour on Wednesday, Friday, Saturday, Sunday, or Monday would be VERY MUCH APPRECIATED. Please don't be shy, it is not hard to sort, and anyone can help.

Happy Thanksgiving and see you at the next meeting on October 27th at 7:00.

CLAXTON FRUIT CAKE

The Fruit Cake arrived September 16 late afternoon and is now available. This year the price has been set at \$8.00 per lb. The three in one box priced at \$22.00; it is a great gift for your favourite family. For more information give Civitan Ken Fournier a call at 613-267-2491.

PROOF OF VACCINATION

Better known as **"Ontario's Enhanced Covid-19 Vaccine Certificate"**.

Prior to October 22 you will need to navigate to the provincial website to retrieve your vaccination receipts. Print or save your receipts as a PDF to a mobile device and it can be used as proof-of-vaccination.

After October 22 QR code and verification app will come into effect.

At that time, users will be required to request their certificate through the province's forthcoming digital portal or service desk.

Residents will then receive a signed vaccination certificate as well as a QR code which can be printed or stored on a mobile device.

From there, individuals will be required to present this information and a piece of government ID to employees at non-essential businesses and public settings where proof-of-vaccination is required, who will scan the QR code with a provincially run, application.

For those with a red-and-white health card call 1-833-943-3900.

Recycling Project

September 22nd was a big day as Civitan's Herb Blair, Alvin Dobbie, Ken Fournier, and I delivered 900 wine and other bottles, 48 plastic containers plus 864 beer bottles to Lanark Small Engines. Later in the day Civitan's Lee Fulton, Herb Blair, Ken Fournier, and I loaded 1440 wine, and other bottles, plus 27 bags of cans, each containing 300. Thursday September 23rd Civitan's Lee Fulton and trailer, Herb Blair with truck loaded picked up Ken and off to Smiths Falls Beer Store for 10:30 am.

GREAT JOB!

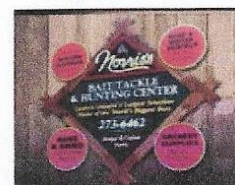

NOW, we are back to normal with every day at Tay Valley Recycling starting to slow down. September 29, Cassandra had room for everything we collected the previous week. From October 18, Tay Valley Waste Site is open 3 days a week until May long weekend. Hopefully they find a person to work at their site in Stanleyville, otherwise we will get some extra returns from time to time.

CANADIAN CIVITAN NORTHERN LIGHTS DISTRICT

I would like to share that **Don Howard** from the Carleton Place club has accepted the roll as Governor Elect of 2021-2022. Congratulations to Don and welcome to your new position on the district board.

The district board is Ken Fournier as Governor, Alice Puddington as Past Governor, Don Howard as Governor Elect and Bonnie King as Secretary/Treasurer and Lanark Area director. Each Civitan Club has an area director on the board. The clubs are Almonte, Aylmer, Brockville, Carleton Place, Chateauguay, Cobden, Kingston, Lakeshore, Lanark, Pakenham, Pembroke, Petawawa and Smiths Falls. Kanata/Stittsville and Perth have not rejoined the district at this time.

All 16,000 pounds of Claxton fruit cake has been distributed to the clubs, Sturgeon Falls (Wholesaled) and Giant Tiger (Wholesaled). Cake arrived in Perth on Thursday September 16th. Ken, Freda, Barry and Bonnie sorted the orders by club on Friday morning. Carleton Place, Almonte and Smiths Falls picked up their orders and then we went to Sturgeon Falls Friday afternoon. Long day. Wednesday Quattrocchi's picked up the orders for Brockville, Kingston, Cobden, Pembroke, and Petawawa. Perth picked up their order. Thursday Barry and Bonnie took 3,120 pounds to Lakeshore club and Quattrocchi's delivered to the other five clubs on Thursday and Friday. Very quick turnaround this year.

Cakes sell for \$8.00 a pound and 3 for \$22.00. Ken has distributed most of Lanark's cakes to the local stores. Balderson Cheese, Clayton Store and Highlands Country Store in McDonald's Corners are where you will find the cake for sale or just contact Ken if you would like a pound or two. Will sell fast.

LANARK BALL CANTEEN

Civitan Debbie Keaney has organized this project for many years, and this year following the COVID-19 pandemic it was even more difficult than usual. On behalf of the Lanark & District Civitan Club may I THANK YOU for a great job this year. Thanks to all the volunteers, and to give members a peek at what happens, here are a few pictures from President Bonnie.

Civitan Debbie Keaney above taking her turn volunteering at the Canteen. Sue Breckenbridge another Civitan on duty as the main organizer for all the baseball that took place over the summer in Lanark and McDonalds Corners. Thank you for all your hard work this year and we assume again next year.

From the desk of the EDITOR

We were very pleased to see the many members join us for the August BBQ & Social, now we plan to slowly get back to normal even wearing masks. The next meeting October 27th will cover mostly business but anything is possible. Then we should plan a dinner meeting for November 3 followed by a business meeting November 17. That leads us to a Christmas Party dinner meeting December 1.

Hopefully, the fourth wave does not prevent this from happening. This leads us to vaccines. As we move forward as a club, we encourage all members to get vaccinated twice. Linda & I recently were in Ottawa and had our documents in hand and the restaurant asked to see a card to prove we were who the documents say we were. We showed our Health Card with picture, etc., done deal. Great meal and on to do some shopping before heading home.

Civitan is a great organization, and we in Lanark want to do our part to keep it that way, and stay safe by getting the needle. We have a few projects coming along, Christmas Craft Sale, Santa Claus Parade, and we hope to see the Talent Night return to its time slot if Civitan's Vic Tysick, and Lee Fulton and others can make it happen. January is Frosty Fling time about the end of the month as we help Lanark Highlands with volunteers.

That's it until next month.
